

4/9/17

Class 1

Trip to Abbey Pumping Station on 19/9/17

Dear Parents,

To support our learning about 'Materials' and 'My home' we have planned a morning trip to the Abbey Pumping Station. This trip will enhance the children's knowledge of how different materials have been used around our homes and how materials and designs have developed over time. We will be focussing mainly upon the bathroom (toilets are always interesting) and how we keep clean and healthy (washing, bathing and clean clothes). This hands-on experience will enable the children to contrast the past to their present day homes.

As this is a morning trip we will return to school for our lunch. The cost for this is £4.60. Please complete the form and return ASAP.

Medication on trips

An Administration of Medicines form must be completed if your child needs to take medication whilst on a school outing. On the day this should be handed to the teacher in charge, along with the medicine.

All Administration of Medicines forms already held in class will be checked on the day of departure. If your child does not have their medicine (including inhalers) they will not be able to go on the trip. No refunds will be given in these circumstances

Many thanks.

Mrs Bramley

.....
I give my permission for take part in the Abbey Pumping Station trip on 19.9.17. Payment can be made via Schoolcomms or by cash/cheque to the office.

Please note that the trip is booked and paid for in advance and refunds are not available if your child does not attend the trip.

Signed by the person with legal responsibility for the young person.....
