

2018

Dear Parent / Guardian,

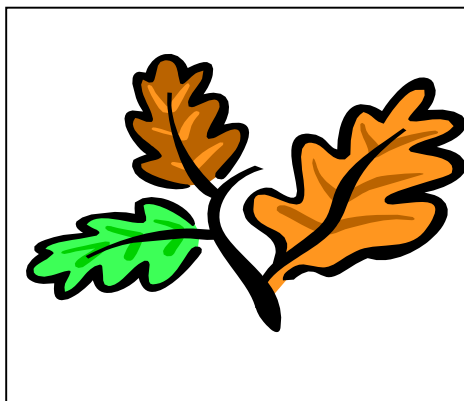

Your child has expressed an interest in joining a gardening / environmental club. This will be run on Thursdays (3.30 – 4.30) and alternate between Year 4 and Year 5 / 6 in the interests of safety, as the number of children expressing an interest has been so high! **PLEASE CAN YOU PICK UP CHILDREN DIRECTLY FROM THE GARDEN AREA WHEN WE ARE WORKING OUTSIDE.** The club will be held inside on wet days. The first club will be for Year 4 children on 15th March and then for Year 5 and 6 children the following week. It will then run in the following way:

The children will need a change of clothes including *strong footwear* and, if possible, a pair of *gardening gloves* or similar (this is very important because of sharp objects and cats' more anti social habits!). The children will undertake indoor activities if the weather is poor. If you think that your child could give a **regular** commitment to this club, please return the form below in time for the first session.

Yours sincerely,

A Johnson.
