

## THE POCHIN SCHOOL NEWSLETTER

No. 19  
27 January 2017

Dear Parents, Governors and Friends

### **MATERNITY COVER**

I would like to welcome Mrs Belinda Bramley to The Pochin School. She has been appointed as class teacher for Class 1 whilst Mrs Rimmer is on maternity leave and will join us mid-March. She is a highly experienced teacher, especially with younger children and will bring much to the post.

### **INDIVIDUAL EDUCATION PLANS**

If your child has an Individual Education Plan (IEP), these will be reviewed and new ones presented at the February parents' evenings.

Yours sincerely

SM Cotton  
Headteacher

### **FOOTBALL REPORT**

Despite wishing for warmer weather than last time, if anything, it was even colder when the team played their next group of matches in the 'Champions' League' stage.

The competition at this level is intense but the team, now nicknamed the Pochin Panthers due to their fight and determination, yet again proved themselves more than a match and established a commanding lead as we await the final two nights of action in March.

Firstly, Broomfield, the team who topped our league in the first stage, were dispatched 3-0 followed by an impressive Churchill team who, fresh from defeating the favourites, Bishop Ellis, took an early lead against our own team. As ever, the Pochin team fought back with some stunning individual and team efforts and won 3-1.

Well done to the team and all those supporters who braved the cold.

*"Valuing individuals through high expectations."*
