Dear Parents, Governors and Friends

HALF TERM

Just to remind you that school is closed **Friday 10** to Friday 17 February inclusive.

DATA COLLECTION SHEETS

You will have all received a data collection sheet at parents evening to check. Can you please ensure that these are checked, altered if necessary, and returned to Mrs Harris in the office. The information on the sheets is important as it is used to ensure your child's data is up to date, including emergency contact details, medical issues and dietary requirements.

Yours sincerely
