

THE POCHIN SCHOOL

Friday 19th January 2018

Dear Parents, Governors and Friends,

This week we have been.....

Myself and Mrs. Hussey (our Chair of Governors) have spent some time talking to the children about their learning and looking at their work. The children were able to explain very clearly what they had learned, they knew what they had done well and what they needed to do next in order to improve their work or make even more progress. We were both impressed with how the children articulated, with confidence, about their work. It is my aim to have these types of discussions with the children on a more regular basis.

Things to remember for next week and beyond
