

THE POCHIN SCHOOL

Friday 5th July 2019

Dear Parents, Governors and Friends,

This week we have been.....

... swapping classes. Everyone had a brilliant 2 class swap days and it was particularly heart-warming to welcome the new children and families into school.

Year 6's End of Year performance was spectacular. I was so proud of them all for their stunning performance. Thanks also to Mrs. Linnett and all the adults involved. It certainly was a night to remember.

Questionnaires

Hopefully, you will have received copies of the school's annual questionnaire. I very much appreciate you taking the time to complete and return these. Yours and the pupils' feedback is vital to myself and the Governors in enabling us to lead and manage school as effectively and efficiently as possible.

Apprentice Project

The year 6 pupils have been taking part in a fun Year 6 Apprentice project where their aim is to raise money for the class charity - Changing faces. On Tuesday the year 6 pupils will be selling a range of tasty sweet treats in the morning break. The prices range from 80p to £1 for an item, and if bought in multiples there are discounts to be had!

If you wish to support this event please send your child with some money on Tuesday morning in an envelope with their name on, so if they lose it at school we can find the money's rightful owner.

We hope you are able to support this event to raise money for a great charity.

Don't Forget This Month's British Value and Language of The Month

• Mutual Respect

We might not always agree with other people, but we try to show respect for their thoughts and feelings.

We can give respect to others and we can expect other people to show us respect.

We are going to be learning about British values

• Tolerance of those of different faiths and beliefs

In Britain we accept that other people might have different beliefs than ours and they may believe in different religions.
