

THE POCHIN SCHOOL

Friday 14th June 2019

Dear Parents, Governors and Friends,

This week we have been.....

Familiarising ourselves with Times Tables Rock Stars. What a fantastic turn out of Rock Stars we had on Wednesday! Thank you for your support in launching this new resource to support the children with learning their multiplication tables. We have heard already that there is quite a bit of competition going on within households. All the children from Year 1 upwards should now have received a login for this and had a chance to log on at school. Please let us know if you need support logging on at home and encourage your child/children to use it. Thank you for your support with this.

We have also been working with a Lead Practitioner in Primary Maths, who came in to observe teaching and learning and work with staff.

Reminders and Other Bits and Pieces

Welcome back

We are delighted to welcome Mrs. Cooledge back to work. Mrs. Cooledge is looking forward to being back in the swing of things at Pochin and we kindly and respectfully request that she is allowed to do so without needing to discuss or answer questions about her absence. I know we are all thrilled to have her back in the fold and I personally am excited to be working with her.

Don't Forget This Month's British Value and Language of The Month

• Mutual Respect

We might not always agree with other people, but we try to show respect for their thoughts and feelings.

We can give respect to others and we can expect other people to show us respect.

We are going to be learning about British values

• Tolerance of those of different faiths and beliefs

In Britain we accept that other people might have different beliefs than ours and they may believe in different religions.
