1 Introduction

1.1 The Pochin School fully recognises the contribution it can make to protect children and support pupils in school. The aim of the policy is to safeguard and promote our pupils' welfare, safety and health by fostering an honest, open, caring and supportive climate. The pupils' welfare is of paramount importance.

1.2 This policy is consistent with:

- the legal duty to safeguard and promote the welfare of children, as described in section 175 of the Education Act 2002 [or section 157 of the Education Act 2002 for independent schools and academies] and the Statutory guidance "*Keeping children safe in education – Statutory guidance for schools and colleges*", September 2016 and "*Working Together to Safeguard Children*", 2015.
- the Leicestershire and Rutland Local Safeguarding Children Board (LSCB) Procedures, which contain procedures and guidance for safeguarding children;

1.3 There are four main elements to our Child Protection Policy:

- **Prevention** (e.g. positive school atmosphere, teaching and pastoral support to pupils, safer recruitment procedures);
- **Protection** (by following agreed procedures, ensuring staff are trained and supported to respond appropriately and sensitively to Child Protection concerns);
- **Support** (to pupils and school staff and to children who may have been abused);
- **Working with parents** (to ensure appropriate communications and actions are undertaken).

1.4 This policy applies to all staff, governors and visitors to the school. We recognise that child protection is the responsibility of all staff. We will ensure that all parents and other working partners are aware of our child protection policy by mentioning it in our school prospectus, displaying appropriate information in our reception and on the school website and by raising awareness at meetings with parents.

1.5 Extended school activities

Where the Governing Body provides services or activities directly under the supervision or management of school staff, the school's arrangements for child protection will apply. Where services or activities are provided separately by another body, the Governing Body will seek assurance in writing that the body concerned has appropriate policies and procedures in place to safeguard and protect children and there are arrangements to liaise with the school on these matters where appropriate.

2 Safeguarding Commitment

2.1 The school adopts an open and accepting attitude towards children as part of its responsibility for pastoral care. Staff encourage children and parents to feel free to talk about any concerns and to see school as a safe place when there are difficulties. Children's worries and fears will be taken seriously and children are encouraged to seek help from members of staff.

2.2 Our school will therefore:

- Establish and maintain an ethos where children feel secure and are encouraged to talk, and are listened to;
- Ensure that children know that there are adults in the school whom they can approach if they are worried or are in difficulty;
- Include in the curriculum activities and opportunities for PSHE/Citizenship which equip children with the skills they need to stay safe from abuse (including online), and to know to whom they can turn for help;
- Ensure every effort is made to establish effective working relationships with parents and colleagues from other agencies;
- Operate safer recruitment procedures and make sure that all appropriate checks are carried out on new staff and volunteers who will work with children, including identity, right to work, enhanced DBS criminal record and barred list (and overseas where needed), references, and prohibition from teaching or managing in schools (s. 128).

2.3 **Safeguarding in the Curriculum** *(please amend this section to reflect your school)*

Children are taught about safeguarding in schools. The following areas are among those addressed in PSHE and in the wider curriculum

Bullying/Cyberbullying

Drugs, alcohol and substance abuse

E Safety / Internet safety

Stranger danger

Fire and water safety

Road safety

Domestic violence / Relationships / Consent

So called Honour Based Violence issues (HBV) e.g. forced marriage, Female Genital Mutilation (FGM) (see Appendix 6),

Sexual exploitation of children (CSE)

Extremism and Radicalisation (see Appendices 4 and 5)

3 Roles and Responsibilities

3.1 General

All adults working with or on behalf of children have a responsibility to safeguard and promote their welfare. This includes a responsibility to be alert to possible abuse and to record and report concerns to staff identified with child protection responsibilities within the school. Staff should be aware that they may need to work with other services as needed and assist in making decisions about individual children.

The Teachers' Standards 2012 state that teachers, including head teachers, should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their decisions about individual children.

The names of the Designated Safeguarding Leads for the current year are listed at the start of this document.

3.2 Governing Body

In accordance with the Statutory Guidance "Keeping children safe in education" September 2016, the Governing Body will ensure that:-

- The school has a child protection/safeguarding policy, procedures and training in place which are effective and comply with the law at all times. The policy is made available publicly.
- The school operates safer recruitment practices, including appropriate use of references and checks on new staff and volunteers. Furthermore, the Head Teacher, a nominated Governor and other staff involved in the recruitment process have undertaken Safer Recruitment Training.
- There are procedures for dealing with allegations of abuse against members of staff and volunteers.(See appendix 2)
- There is a senior member of the school's leadership team who is designated to take lead responsibility for dealing with child protection (the "Designated Safeguarding Lead") and there is always cover for this role with appropriate arrangements for before/after school and out of term activities.
- The Designated Safeguarding Lead undertakes effective Local Authority training (in addition to basic child protection training) and this is refreshed every two years. In addition to this formal training, their knowledge and skills are updated at regular intervals (at least annually) via safeguarding e-briefings etc.
- The Head Teacher, and all other staff and volunteers who work with children (including early years practitioners within settings on the school site), undertake appropriate training which is regularly updated (at least every three years in compliance with the LSCB protocol); and that new staff and volunteers who work

with children are made aware of the school's arrangements for child protection and their responsibilities (including this policy and Part 1 of Keeping Children Safe in Education). The Local Authority Induction leaflet, "Safeguarding in Education Induction – Child Protection Information, Safer Working Practice" will be used as part of this induction.

- Any deficiencies or weaknesses brought to the attention of the Governing Body will be rectified without delay.
- Chair of Governors (or, in the absence of a Chair, the Vice Chair) deals with any allegations of abuse made against the Head Teacher, in liaison with the Local Authority Allegations Manager (LADO).
- Effective policies and procedures are in place and updated annually including a behaviour "code of conduct" for staff and volunteers -"Guidance for Safer Working Practice for those who work with children in education settings October 2015". Information is provided to the Local Authority (on behalf of the LSCB) through the Annual Safeguarding Return
- There is an individual member of the Governing Body who will champion issues to do with safeguarding children and child protection within the school, liaise with the Designated Safeguarding Lead, and provide information and reports to the Governing Body.
- The school contributes to inter-agency working in line with statutory guidance "Working Together to Safeguard Children" 2015 including providing a co-ordinated offer of Early Help for children who require this. This Early Help may be offered directly through school provision or via referral to an external support agency (eg Supporting Leicestershire Families). Safeguarding arrangements take into account the procedures and practice of the local authority and the Local Safeguarding Children Board (LSCB).

3.3 **Head Teacher**

The Head Teacher of the school will ensure that:

- The policies and procedures adopted by the Governing Body are effectively implemented, and followed by all staff;
- Sufficient resources and time are allocated to enable the Safeguarding Lead and other staff to discharge their responsibilities, including taking part in strategy discussions and other inter-agency meetings, and contributing to the assessment of children;
- Allegations of abuse or concerns that a member of staff or adult working at school may pose a risk of harm to a child or young person are notified to the Local Authority Allegations Manager

- All staff and volunteers feel able to raise concerns about poor or unsafe practice in regard to children, and such concerns are addressed sensitively and effectively in a timely manner. The NSPCC whistle blowing helpline number is also available (0800 028 0285).
- All staff are made aware that they have an individual responsibility to pass on safeguarding concerns and that if all else fails to report these directly to Children's Social Care (Children's Services) or the Police.

3.4 Designated Safeguarding Lead

The responsibilities of the Designated Safeguarding Lead are found in Annex B of "Keeping children safe in education" and include:

- Provision of information to the LSCB/Local Authority on safeguarding and child protection in compliance with section 14B of the Children Act 2004.
- Liaison with the Governing Body and the Local Authority on any deficiencies brought to the attention of the Governing Body and how these should be rectified without delay.
- Management and Referral of cases of suspected abuse to Specialist Services First Response Children's Duty (and/or Police where a crime may have been committed) and Disclosure and Barring Service (cases where a person is dismissed or left due to risk / harm to a child).
- Liaise with the Head Teacher to inform him / her of issues.
- Understand the assessment process for providing early help.
- Act as a source of support, advice and expertise within the school
- To attend and contribute to child protection conferences when required
- Be alert to the specific needs of children in need, those with educational needs and young carers
- Ensure each member of staff has access to and understands the school's child protection policy especially new or part-time staff who may work with different educational establishments;
- Ensure all staff have induction training covering child protection and staff behaviour and are able to recognise and report any concerns immediately they arise and to give Part 1 of "Keeping children safe in education" to all staff;
- Keep detailed, accurate and secure written records of concerns and referrals;

- Obtain access to resources and effective training for all staff and attend refresher training courses every two years. Keep up to date with new developments in safeguarding by accessing briefings and journals.
- Where children leave the school, ensure their child protection file is handed to the Designated Safeguarding Lead and signed for in the new school/college as soon as possible.
- Maintain and monitor child protection records, including monitoring and acting upon individual concerns, patterns of concerns (e.g. children who repeatedly go missing) or complaints, in accordance with the section on “Records, Monitoring and Transfer” below.

4 Records, Monitoring and Transfer

- 4.1 Well-kept records are essential to good child protection practice. All staff are clear about the need to record and report concerns about a child or children within the school. The Designated Safeguarding Lead is responsible for such records and for deciding at what point these records should be passed over to other agencies.
- 4.2 Records relating to actual or alleged abuse or neglect are stored apart from normal pupil or staff records. Normal records sometimes have markers to show that there is sensitive material stored elsewhere. This is to protect individuals from accidental access to sensitive material by those who do not need to know.
- 4.3 Child protection records are stored securely, with access confined to specific staff, e.g. Designated Safeguarding Leads and the Head Teacher.
- 4.4 Child protection records are reviewed regularly to check whether any action or updating is needed. This includes monitoring patterns of complaints or concerns about any individuals and ensuring these are acted upon.
- 4.5 When children transfer school their safeguarding records are also transferred. Safeguarding records will be transferred separately from other records and best practice is to pass these directly to a Designated Safeguarding Lead in the receiving school [or 6th form / FE college], with any necessary discussion or explanation and to obtain a signed and dated record of the transfer. In the event of a child moving out of area and a physical handover not being possible then the most secure method should be found to send the confidential records to a named Designated Safeguarding Lead and a photocopy kept. Files requested by other agencies e.g. Police should be copied.
- 4.6 A record of any allegations (proven) made against staff is kept in a confidential file by the Head / Principal.

5 Support to pupils and school staff

5.1 Support to pupils

Our school recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and view the world in a positive way. For

such children school may be one of the few stable, secure and predictable components of their lives. Other children may be vulnerable because, for instance, they have a disability, are in care, or are experiencing some form of neglect. Our school seeks to remove any barriers that may exist in being able to recognize abuse or neglect in pupils experiencing Special Educational Needs or Disability. We will seek to provide such children with the necessary support and to build their self-esteem and confidence.

- 5.2 Peer on Peer Abuse - This school recognises that children sometimes display abusive behaviour themselves and that such incidents or allegations must be referred on for appropriate support and intervention. Such abuse will not be tolerated or passed off as “banter” or “part of growing up”. This abuse could for example include sexual assaults, initiation/hazing type violence, all forms of bullying, aggravated sexting and physical violence experienced by both boys and girls. There are separate school and local authority/LSCB guidances and/or policies to address this including the Behaviour Policy, Anti-bullying Policy, E-safety Policy, “Guidance for schools working with children who display sexually abusive behaviour” (Leicestershire LA Guidance). Where specific risks are identified, a risk assessment will be undertaken in order to ensure the safety of all staff and pupils.
- 5.3 **Children Missing from Education** – our school recognises the entitlement that all children have to education and will work closely with the local authority to share information about pupils who may be missing out on full time education or who go missing from education. The local authority will also be informed where children are to be removed from the school register a) to be educated outside the school system; b) for medical reasons; c) because they have ceased to attend; d) because they are in custody; d) because they have been permanently excluded.
- 5.4 Complaints or concerns raised by parents or pupils will be taken seriously and followed up in accordance with the school’s complaints process.
- 5.5 Support for Staff

As part of their duty to safeguard and promote the welfare of children and young people staff may hear information, either from the child/young person as part of a disclosure or from another adult that will be upsetting. Where a member of staff is distressed as a result of dealing with a child protection concern, he/she should in the first instance speak to the Designated Safeguarding Lead about the support they require. The Designated Safeguarding Lead should seek to arrange the necessary support.

6 Working with parents/carers

The school will:

- Ensure that parents/carers have an understanding of the responsibility placed on the school and staff for child protection by setting out its obligations in the school prospectus.

- Undertake appropriate discussion with parents/carers prior to involvement of Children & Family Services Children’s Social Care or another agency, unless to do so would place the child at risk of harm or compromise an investigation.

7 Other Relevant Policies

7.1 The Governing Body’s statutory responsibility for safeguarding the welfare of children goes beyond simply child protection. The duty is to ensure that safeguarding permeates all activity and functions. This policy therefore complements and supports a range of other policies, for instance:

- Behaviour Management
- Staff Code of Conduct
- Racist incidents
- Anti-Bullying (including Cyberbullying)
- Physical Interventions/Restraint (DfE Guidance “Use of Reasonable Force” and “Screening, searching and confiscation”)
- Special Educational Needs
- Trips and visits
- Work experience and extended work placements
- First aid and the administration of medicines
- Health and Safety
- Sex and Relationships Education
- Site Security
- Equal Opportunities
- Toileting/Intimate care
- e-safety
- Extended school activities
- Supporting pupils/students with medical conditions

The above list is not exhaustive but when undertaking development or planning of any kind the school will consider the implications for safeguarding and promoting the welfare of children.

8 Recruitment and Selection of Staff

- 8.1 The school’s safer recruitment processes follow the Statutory Guidance: *Keeping children safe in education September 2016, Part Three: Safer recruitment.*
- 8.2 The school will provide all the relevant information in references for a member of staff about whom there have been concerns about child protection / inappropriate conduct. Cases in which an allegation has been proven to be unsubstantiated, unfounded, false or malicious will not be included in employer references. A history of repeated concerns or allegations which have all been found to be unsubstantiated, malicious etc. will also not be included in a reference.

- 8.3 The school has an open safeguarding ethos regularly addressing safeguarding responsibilities during staff meetings and fostering an ongoing culture of vigilance. All new staff and volunteers receive a safeguarding induction and are briefed on the code of conduct for adults working with children. The Leicestershire County Council induction leaflet is given to all staff and is the basis for the safeguarding induction.
- 8.4 In line with statutory requirements, every interview panel for school staff will have at least one member (teacher/manager or governor) who has undertaken safer recruitment training either online or by attending the local authority one day Safer Recruitment training course.
- 8.5 Staff and volunteers who provide early years or later years childcare and any managers of such childcare are covered by the disqualification regulations of the Childcare Act 2006 and are required to declare relevant information - see statutory guidance: Disqualification under the Childcare Act 2006 (February 2015).
- 8.6 For most appointments, an enhanced DBS certificate will be required for a person considered to be engaging in regulated activity (see Page 25 of 'Keeping Children Safe in Education, July 2015).

APPENDIX 1

PROCEDURE TO FOLLOW IN CASES OF POSSIBLE, ALLEGED OR SUSPECTED ABUSE, OR SERIOUS CAUSE FOR CONCERN ABOUT A CHILD

Contents

A	General	
B	Individual Staff/Volunteers/Other Adults - main procedural steps	
C	Designated Safeguarding Lead – main procedural steps	

A. General

- 1) The Local Safeguarding Children Board Procedures contain the inter-agency processes, protocols and expectations for safeguarding children. (Available on LSCB website www.lrsb.org.uk: The Designated Safeguarding Lead is expected to be familiar with these, particularly the referral processes.
- 2) It is important that all parties act swiftly and avoid delays.
- 3) Any person may seek advice and guidance from the First Response Children's Duty Professionals Consultation Line, particularly if there is doubt about how to proceed. Any adult, whatever their role, can take action in his/her own right to ensure that an allegation or concern is investigated and can report to the investigating agencies.
- 4) Written records, dated and signed, must be made to what has been alleged, noticed and reported, and kept securely and confidentially.
- 5) In many cases of concern there will be an expectation that there have already been positive steps taken to work with parents and relevant parties to help alleviate the concerns and effect an improvement for the child. This is appropriate where it is thought a child may be in need in some way, and require assessment to see whether additional support and services are required. An example might be where it is suspected a child may be the subject of neglect. In most cases the parents' knowledge and consent to the referral are expected, unless there is reason for this not being in the child's interest. However, there will be circumstances when informing the parent/carer of a referral that might put the child at risk, and in individual cases advice from Children's Social Care will need to be taken.

B. Individual Staff/Volunteers/Other Adults – main procedural steps

- 1) When a child makes a disclosure, or when concerns are received from other sources, do not investigate, ask leading questions, examine children, or promise confidentiality. Children making disclosures should be reassured and if possible at this stage should be informed what action will be taken next. Appendix 7 (BEP form)

- 2) As soon as possible write a dated, timed and signed note of what has been disclosed or noticed, said or done and report to the Designated Safeguarding Lead in the school. Appendix 7 (BEP Form)
- 3) If the concern involves the conduct of a member of staff or volunteer, a visitor, a governor, a trainee or another young person or child, the Head Teacher must be informed.
- 4) If the allegation is about the Head Teacher, the information should normally be passed to the Chair of Governors or the Local Authority Allegations Manager (LADO).
- 5) If this has not already been done, inform the child (or other party who has raised the concern) what action you have taken.

C. Designated Safeguarding Lead – main procedural steps

- 1) Begin a case file which will hold a record of communications and actions to be stored securely (see Section on Records, Monitoring and Transfer) (See Appendix 7/8)
- 2) Where initial enquiries do not justify a referral to the investigating agencies, inform the initiating adult and monitor the situation. If in doubt, seek advice from the First Response professionals Consultation line.
- 3) Share information confidentially with those who need to know.
- 4) Where there is a child protection concern requiring immediate, same day, intervention from Children’s Social Care (Priority 1), the First Response Children’s Duty should be contacted by phone. Written confirmation should be made within 24 hours on the LSCB Agency Referral Form to Children’s Social Care. All other referrals should be made using the online form (see link <http://lrsb.org.uk/childreport>).
- 5) If the concern is about children using sexually abusive behaviour, refer to the separate guidance.
- 6) If it appears that urgent medical attention is required arrange for the child to be taken to hospital (normally this means calling an ambulance) accompanied by a member of staff who must inform medical staff that non-accidental injury is suspected. Parents must be informed that the child has been taken to hospital.

Exceptional circumstances: If it is feared that the child might be at immediate risk on leaving school, take advice from the First Response Professionals Consultation line (for instance about difficulties if the school day has ended, or on whether to contact the police). Remain with the child until the Social Worker takes responsibility. If in these circumstances a parent arrives to collect the child, the member of staff has no right to withhold the child, unless there are current legal restrictions in force (e.g. a restraining order). If there are clear signs of physical risk or threat, First Response Children’s Duty should be updated and the Police should be contacted immediately.

APPENDIX 2

PROCESS FOR DEALING WITH ALLEGATIONS AGAINST STAFF (INCLUDING HEADTEACHERS) AND VOLUNTEERS

These procedures should be followed in all cases in which there is an allegation or suspicion that a person working with children has:

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child; or
- behaved towards a child or children in a way that indicates he or she would pose a risk of harm to children.

Relevant documents:

- DfE “Keeping children safe in education: Statutory guidance for schools and colleges” September 2016 (part 4: Allegations of abuse made against teachers and other staff)

1) Individual Staff/Volunteers/Other Adults who receive the allegation:

- i. Write a dated and timed note of what has been disclosed or noticed, said or done.
- ii. Report immediately to the Head Teacher.
- iii. Pass on the written record.
- iv. If the allegation concerns the conduct of the Head Teacher, report immediately to the Chair of Governors. Pass on the written record. (If there is difficulty reporting to the Chair of Governors, contact the Allegations Manager, Safeguarding and Improvement Unit as soon as possible.)

2) Head Teacher (or Chair of Governors)

- i. If there is no written record, write a dated and timed note of what has been disclosed or noticed, said or done.
- ii. Before taking further action notify and seek advice from the Allegations Manager, Safeguarding and Improvement Unit on the same day.
- iii. You may be asked to clarify details or the circumstances of the allegation, but this must not amount to an investigation.
- iv. Report to First Response Children’s Duty if the Allegations Manager so advises or if circumstances require a referral concerning a child.
- v. Ongoing involvement in cases:
 - Liaison with the Allegations Manager
 - Co-operation with the investigating agency’s enquiries as appropriate.
 - Consideration of employment issues and possible disciplinary action where the investigating agencies take no further action.

- Possible referral to the DBS or NCTL, depending on the outcome.

APPENDIX 3

Policy for the use of Cameras and Mobile Phones

To ensure the safety and welfare of the children in our care this policy outlines the protocol for the use of personal mobile phones and cameras in the school.

- All staff must ensure that their mobile phones, personal cameras and recording devices are stored securely during working hours on school premises or when on outings. (This includes visitors, volunteers and students)
- Mobile phones must not be used in any teaching area in school or within toilet or changing areas
- Only school equipment should be used to record classroom activities. Photos should be put on the school system as soon as possible and not sent to or kept on personal devices
- During school outings nominated staff will have access to a school mobile which can be used for emergency or contact purposes
- All telephone contact with parents or carers must be made on the school phone and a note kept
- The school protocol requires that photos of other people's children are not published on social networking sites such as Facebook.

APPENDIX 4

Safeguarding pupils who are vulnerable to extremism and radicalisation

Our school recognises the duties placed on us by the Counter Terrorism Bill (July 2015) to prevent our pupils being drawn into terrorism.

These include:

- Assessing the risk of pupils being drawn into terrorism (see Appendix 5)
- Working in partnership with relevant agencies under the LSCB procedures
- Appropriate staff training
- Appropriate online filtering

Our school is committed to actively promoting the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs; the pupils are encouraged to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain.

There is a current threat from terrorism in the UK and this can include the exploitation of vulnerable young people, aiming to involve them in terrorism or to be active in supporting terrorism.

Our school seeks to protect children and young people against the messages of all violent extremism including but not restricted to those linked to Islamic Ideology, Far Right / Neo Nazi / White Supremacist ideology etc. Concerns should be referred to the Single Point Of Contact

(SPOC) (usually a Designated Safeguarding Lead or Head Teacher) who have local contact details for Prevent and Channel referrals. They will also consider whether circumstances require Police to be contacted.

APPENDIX 6

Female Genital Mutilation

Starting in October 2015, section 5B of the Female Genital Mutilation Act 2003 and section 74 of the Serious Crime Act 2015 placed a mandatory duty on teachers along with social workers and healthcare professionals to report to the police where they discover that FGM appears to have been carried out on a girl under 18 or where a girl discloses that she has undergone FGM. The school's response to FGM will take into account the government guidance, "Multi-agency statutory guidance on female genital mutilation" April 2016. Staff will also follow the established safeguarding procedure by reporting any such concerns to the Designated Safeguarding Lead and a report must also be made to the Police.

There will be a considered safeguarding response towards any girl who is identified as being at risk of FGM (eg there is a known history of practising FGM in her family, community or country of origin) which may include sensitive conversations with the girl and her family, sharing information with professionals from other agencies and/or making a referral to Children's Social Care. If the risk of harm is imminent there are a number of emergency measures that can be taken including police protection, an FGM protection order and an Emergency Protection Order.

Adults on site, other than those employed by the school

Adults need to visit the school for many reasons. Those employed by LCC departments will have undergone vetting procedures. Those employed by other agencies likewise will have been vetted by those agencies. Written documentation from these organisations and agencies is held by the school to verify this.

All visitors to the school are required to sign in and wear a visitor pass which they are issued with.

Adults attending classes at Roundhill House

A risk assessment of their presence on site has been undertaken. The area around Roundhill House is out of bounds to students. Classes commence at the House after the start of the school day when students are in lessons. When students have their break in the morning adult students are in classes; they leave the site at the end of the morning session before lunchtime for students. Adults arrive after the end of the student lunchtime for the afternoon classes and leave after students have left the site. Students do not walk past Roundhill House at any time.

All contractors are required to sign in and wear a visitor pass. Contractors are accompanied by the school's Premises Officer or a member of staff who will remain with them. Contractors who make frequent visits to the school and / or are in the school for long periods of time on a number of occasions are to be asked for evidence of vetting.

Safety on the School Grounds

The School Site – Roundhill Specific

Roundhill is situated on a steep site set into the side of a hill by a busy road. The main school playing fields are opposite, at the other side of the main road. A bridge links the fields to the car park opposite the main site. During PE lessons, students are always accompanied by an adult member of staff to the school playing fields.

Traffic on the Site

Parents are required to use the designated car park (if school has one) to drop off pupils/students at the beginning of the school day. They do not park on the school site. This is part of the school's Travel Plan. The school bus makes use of the car park to drop off and pick up pupils/students where appropriate.

Roundhill - Included in the Travel Plan are details of the pick-up point at the end of the school day, this is on the Asda supermarket site. There is a designated visitor's car park on the school site. Staff are on duty at the beginning and end of the school day to welcome pupils/students onto the site and see them leave.

Appendix 10 Tackling Extremism and Radicalisation Policy

Background

This Preventing Radicalisation Policy is part of our commitment to keeping children safe. Since the 'Education and Inspections Act 2006' schools have a duty to promote community cohesion. Over the last few years, global events have led to a growth of extremist viewpoints, including advocacy of violent extremism. Schools have an important part to play in both educating children and young people about extremism and recognising when they start to become radicalised. In March 2015, new statutory duties were placed on schools by the Counter Terrorism and Security Act (2015) which means they must work to prevent children being drawn into extremism. Safeguarding children from all risks of harm is an important part of our school's work and protecting them from extremism is one aspect of that.

Policy statement

The Pochin School is fully committed to safeguarding and promoting the welfare of all students. Every member of staff recognises that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. We have a duty to prepare our young people for life in modern Britain and to keep them safe. The Tackling Extremism and Radicalisation Policy sets out our beliefs about how to protect vulnerable individuals from being radicalised or exposed to extremist views, by identifying who they are and promptly providing them with support. Strategies and procedures are covered in a separate document for staff. Students who attend our school have the right to learn in safety. We do not tolerate bullying of any kind and will challenge derogatory language and behaviour towards others.

Statutory duties

The duty to prevent children and young people being radicalised is set out in the following documents.

- Counter Terrorism and Security Act (2015)
- Keeping Children Safe in Education (2015)
- PREVENT Duty Guidance (2015)
- Working Together to Safeguard Children (2015)

Non-statutory guidance

Promoting fundamental British values as part of SMSC in schools: Departmental Advice for Maintained Schools (DfE 2014).

Aims and principles

The Pochin School Academy's Tackling Extremism and Radicalisation Policy is intended to provide a framework for dealing with issues relating to vulnerability, radicalisation and exposure to extreme views. We recognise that we are well placed to be able to identify safeguarding issues and this policy clearly sets out how the school will deal with such incidents and identifies how the curriculum and ethos underpins our actions. The main aims of this policy are to ensure that staff are fully engaged in being vigilant about radicalisation; that they overcome professional disbelief that such issues will not

happen in the local community and ensure that we work alongside other professional bodies and agencies to ensure that our students are safe from harm.

The objectives are that:

- All governors, teachers, learning support assistants and non-teaching staff will have an understanding of what radicalisation and extremism are and why we need to be vigilant in school.
- All governors, teachers, learning support assistants and non-teaching staff will know what the school policy is on safeguarding against extremism and radicalisation and will follow the Safeguarding Policy guidance swiftly when issues arise.
- All students will understand the dangers of radicalisation and exposure to extremist views; building resilience against these and knowing what to do if they experience them.
- All parents / carers and students will know that the school has policies in place to keep students safe from harm and that the school regularly reviews its systems to ensure they are appropriate and effective.

Defintions and indicators

British values are democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Extremism is defined in the 2011 Prevent Strategy as vocal or active opposition to fundamental British values. We also include in our definitions of extremism calls for the death of members of our armed forces, whether in this country or overseas.

Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

Tackling Extremism and Radicalisation - procedures for staff

Procedures for referrals

Although serious incidents involving radicalisation have not occurred at The <.....> Academy to date, it is important for us to be constantly vigilant and remain fully informed about the issues which affect the local area, county and society in which we teach. Staff are reminded to suspend any 'professional disbelief' that instances of radicalisation 'could not happen here' and to be 'professionally inquisitive' where concerns arise, referring any concerns through the appropriate channels. We believe that it is possible to intervene to protect people who are vulnerable. Early intervention is vital and staff must be aware of the established processes for front line professionals to refer concerns about individuals and / or groups. We must have the confidence to challenge, the confidence to intervene and ensure that we have strong safeguarding practices based on the most up-to-date guidance and best practise.

As with any child protection referral, staff must be made aware that if they do not agree with a decision not to refer, they can make the referral themselves and will be given the contact details to do this. We are aware of the potential factors that a child is vulnerable to being radicalised or exposed to extreme views, including peer pressure, influence from other people or the internet, bullying, crime and antisocial behaviour, family tensions, race / hate crime, lack of self-esteem or identity, prejudicial behaviour and personal or political grievances, in the event of prejudicial behaviour the following procedure will be followed:

- All incidents of prejudicial behaviour will be reported to the Assistant Principal.
- All incidents will be fully investigated and recorded in line with the Care and Guidance Policy and records will be kept.
- Parents / Carers will be contacted and the incident discussed in detail, aiming to identify motivating factors, any changes in circumstances at home, parental views of the incident and to assess whether the incident is serious enough to warrant a further referral.
- The Assistant Principal will follow-up any referrals, with the support of relevant school staff, for a period of four weeks to assess whether there is a change in behaviour or attitude.
- If deemed necessary serious incidents will be discussed with the Central Duty Team and a Referral made to Children's Services.
- In the event of a referral relating to serious concerns about potential radicalisation or extremism, the school will make a CHANNEL referral and / or contact Leicestershire Police Counter Terrorism Unit.

The role of the curriculum

Our curriculum is broad and balanced and promotes respect, tolerance and diversity. Children are encouraged to share their views and recognise that they are entitled to have their own different beliefs which should not be used to influence others. The PD, History and RE curriculum cover topics which consider these themes throughout Years 7-11. In Drama lessons, teachers respond to world events with stand-alone lessons, together with covering topical issues in Year 7. These themes also appear in our programme of assemblies across the academic year and underpin the ethos of the school. It is recognised that children with low aspirations are more vulnerable to radicalisation and therefore we strive to equip our students with confidence, self-belief, respect and tolerance as well as setting high standards and expectations for themselves. Students are regularly taught in ICT and Humanities subjects about how to stay safe when using the internet and are encouraged to recognise that people are not always who they say they are online. They are taught to seek adult help if they are upset or

concerned about anything they read or see on the internet. The filtering and monitoring systems in our school blocks inappropriate content, including extremist content.

Staff training

Through INSET opportunities, which form part of our coordinated whole school approach to Safeguarding, we will ensure that our staff are fully aware of the threats, risks and vulnerabilities that are linked to radicalisation; are aware of the process of radicalisation and how this might be identified early on and are aware of how we can provide support as a school to ensure that our children are resilient and able to resist involvement in radical or extreme activities.

Safer recruitment

We ensure that the staff we appoint are suitable, our recruitment processes are rigorous and we follow the statutory guidance published in Part 3 of Keeping Children Safe in Education (2015). Vetting and barring checks are undertaken on relevant people including governors and volunteers.
