## Home Learning

Dear Parents/ carers,

Today 'Home Learning' packs have been sent home with your child or are ready to collect from the school office.

The pack contains everything that your child should need for the first week of home learning and support material for the future weeks ahead.

Each week the Home Learning Timetable will be posted on the school website on the '**Our Learning**' tab under your child's class by 9am Monday. However, please bear with us if it is a little late getting up loaded as we use an outside provider to manage the website. Supporting documents will also be posted on the website to help with learning. Printing will be kept to a minimum and can be requested to be printed and collected from the school office if needed.

### Clarification of expectations for the work over the coming weeks

There is an English and Maths task to be completed daily (at least 5 tasks) on top of the regular daily reading expected. Also topic work will be set.

Most of the maths activities can be found on the website, 'MYMATHS'.

Your child will be bringing home today their MYMATHS login in details. The activities are all online ( <https://www.mymaths.co.uk/>) and are marked as they go along. You will also get feedback for the activities through the online account.

All children are expected to still use Times Tables Rock stars twice weekly, if they want to do more then that is fantastic!

Topic work is set to be completed weekly and this can range from 30 minutes to 300 hours! As a parent you can decided what you consider is the right length of time.

If work is completed in their work books, could you please ensure they write neatly on the lines and always use their best handwriting. We are all trying to still get a pen licence!

Work does not need to be separated into subjects but it does need to be chronologically ordered. Each piece of work needs the date, a title and Learning Objective that the children can create themselves.

Work should be set up on the website by our web technician by Monday morning and completed and sent in by Friday evening. Feedback will then be given. If work has been completed in the books, please send the evidence in by scanning or photographing the pages and sending them to your class email with any additional comments you wish to make. Some tasks also ask for pictures to be taken and uploaded.

We thank you for your ongoing support over this period and hope you enjoy the opportunity to share your child's learning journey.

If you have any questions please forward these to your child's class email address and they will be answered as promptly as possible.

[Class1@pochin.leics.sch.uk](mailto:Class1@pochin.leics.sch.uk)

Class2@pochin.leics.sch.uk

Class3@pochin.leics.sch.uk

Class4@pochin.leics.sch.uk

[Class5@pochin.leics.sch.uk](mailto:Class5@pochin.leics.sch.uk)

Please be aware that your child's current class teacher may not be the teacher who responds to you through email, this will depend on staffing capacity.

Kind regards

Mrs Heather Sharpe
