

## THE POCHIN SCHOOL

Friday 24<sup>th</sup> January 2020

Dear Parents, Governors and Friends,

### This week.....

It has been another busy week at The Pochin School. The children have been working hard and giving it their best. The School Council ran their first ever assembly and they did a fantastic job. They were all very professional, I might be out of a job soon as they did such a good job, maybe running the school will be their next step!

The School Council also introduced two new awards that classes can try and achieve each week. The first award is for being an Eco Warrior Class, this will be presented to the class that has shown the most effort in preserving our planet by being careful with the Earth's resources we have, such as, turning off lights to save electricity.

The second award which will be given is called the 'Spick and Span' award, this will be awarded to the class that has made the most effort in creating and sustaining a clean, healthy working environment in which to learn.

### Things to remember for next week and beyond ....
