Thank you everyone your views are important and will help us to make our school even better. If any of you have disagreed with any statements, have concerns or are unhappy with any aspect of school, I will talk to you to find out why and try to resolve any concerns or ask you for your ideas of how to improve things.

Some of you have said that some staff are good at listening and others aren't so good. We will work on this. But don't forget to also tell your school council representatives your views. Questionnaires like these are useful to gather your views.</p> <p>Don't forget governors came into school to gather your views on the new reading books and on the new marking and feedback system the teachers are now using.</p> <p>Some of you came to ask me for more after school clubs and playground equipment - these are now in place.</p> <p>If you have any more ideas please come and talk to me!</p>

Things School Could Improve (with our response)

- Shaped earrings - these are ok as long as they fit our Uniform Policy
- Bike Shed - this is a great idea, but I think we are a bit tight for space
- More food - We will check this, as there are always 'seconds' on offer
- All adults to listen to children's views and not shout - hopefully our new Behaviour Policy will address this
- More discipline - hopefully our new Behaviour Policy will address this
- Be stricter on uniform - hopefully our new Behaviour Policy will address this
- More outside learning - a great idea, we are going to be starting our new creative, thematic curriculum at the start of the year. So look out for more outside learning.
- Less homework, homework is too hard - We are going to review our Home Learning Policy to make sure that it enhances your learning and is challenging but not too hard.
